

2023 Idaho Women's Health Check Eligibility Guidelines

Women's Health Check (WHC) is a breast and cervical cancer screening program.

For women who meet the eligibility requirements below, WHC provides mammograms and/or Pap tests and pelvic exams as well as diagnostic testing.

Women must meet the following WHC eligibility criteria to receive services:

- Low Income (see table below)
- No health insurance coverage
- U.S. citizen or eligible alien (with at least 5 years of residency)
- Age 21- 64 (see table below as services vary depending on age)
- Women over age 65 who are NOT eligible for Medicare or cannot afford Medicare Part B

Women who are at higher risk for breast and cervical cancer are a priority for enrollment. This includes women who live in geographically or culturally isolated communities, have never been screened for breast and/or cervical cancer, or haven't been screened in the last 5 years.
