Challis Park Improvement/Satisfaction Survey

Challis, Idaho – The City of Challis and Eastern Idaho Public Health have partnered to assess the Challis City Park and identify potential improvements. To continue this effort, it is important to hear what park users have to say about the park, the good, the bad, and ideas on how to improve the park and make it accessible to patrons 0-100 years of age.

Now is the time to let your voice be heard. The survey is open from February 1 – February 28, 2023. The following link will take you to the survey:
https://docs.google.com/forms/d/1bEV-5tKGr-meVh7HdDUyYb_2sl1Cjfw--dG73KpE5eQ/edit

The survey is also available on the home page for Eastern Idaho Public Health: EIPH.Id.GovS. You can also visit the Eastern Idaho Public Health office located at 801 Monroe and scan a QR code or complete a paper copy of the survey.

Results from all surveys will be compiled by Eastern Idaho Public Health and shared with the City Council.

For additional information, please contact Timalee Geisler at 208-533-3149 or tgeisler@eiph.idaho.gov.
