Mud Lake Eastern Idaho Public Health Office Closure

Mud Lake, ID – Effective February 17, 2023, Eastern Idaho Public Health will no longer be offering services in its Mud Lake Office. The last day of services will be February 16, 2023.

Clients in this area still seeking services may visit other EIPH locations in close proximity including Dubois, Rigby, Idaho Falls, and Rexburg. All other EIPH locations such as Driggs, Challis, Salmon, and St. Anthony continue to offer services as well. Patients wishing to receive services can visit our website at: www.EIPH.Id.gov.

The Mud Lake office located on 1078 East 1500 North in Terreton has observed many clients accessing appointments at other EIPH locations, private provider offices, or utilizing remote visit options.

Following the review of the number of services provided at this location, the decision was made to close the EIPH Mud Lake/Terreton location.
