**Eastern Idaho Public Health to Host Drive-Thru
Fall Immunization Clinics in Idaho Falls**

IDAHO FALLS, Idaho — Eastern Idaho Public Health (EIPH) invites community members to protect themselves and their families this fall by attending one of two upcoming drive-thru immunization clinics at their Idaho Falls office, located at **1250 Hollipark Drive**.

Clinic Details:

- **Dates:** Friday, October 2, 2026 & Thursday, October 8, 2026
- **Time:** 3:30 PM–5:30 PM
- **Location:** 1250 Hollipark Drive, Idaho Falls, ID, 83401

Both **flu** and **COVID** immunizations will be available. Appointments are required; please call **(208) 533-3235** to schedule your time slot. To ensure a quick and streamlined experience, attendees are encouraged to complete the online [pre-check-in form](#) prior to arrival.

What to Bring & Wear:

- Please bring your **insurance card** if you have one. For any billing or coverage questions, please call (208) 533-3235 ahead of time.
- Wear a **short-sleeved shirt** to allow easy access for vaccination.

Why Get Vaccinated? Annual flu vaccination is the most effective way to protect yourself and your loved ones against serious illness, hospitalization, and complications from the [influenza virus](#). Everyone six months of age and older is recommended to receive an annual flu vaccine, ideally by the end of October. However, vaccination remains beneficial and is strongly encouraged for as long as influenza viruses continue to circulate in the community.

"Getting vaccinated not only reduces your individual risk, but it also helps safeguard high-risk individuals in our community, including young children, older adults, and those with underlying health conditions," said Esmey Quintero, Clinical Services Program Manager at EIPH.

Protect your health this season without leaving your vehicle. Call **(208) 533-3235** to reserve an appointment.
