No public comments will be accepted during the meeting.

**View Live on EIPH’s YouTube Channel:**  
<https://www.youtube.com/channel/UCaiWpioiGwhF95yxXqM01VA>

1. Call to Order and Roll Call.....Chairman Reed
2. Approval of Consent Agenda (**Action**) .....Chairman Reed  
*If a board member has an issue with something in the Consent Agenda, a request can be made to remove that item from the Consent Agenda for further discussion and a separate vote.*
  - a. Approval of August 20, 2021 Board of Health Meeting Minutes
  - b. FY22 Year-to-Date Financial Report
3. COVID-19 Situational Report
  - a. Vaccination Update .....Amy Gamett
  - b. COVID-19 Data Review.....James Corbett
  - c. Regional Hospital Report.....David Hoffenberg, EIRMC
  - d. [Crisis Standards of Care](#) .....Dr. Kenneth Krell
4. Interviews of Candidates for Board of Health Physician Position.....Chairman Reed
  - a. 10:00 a.m. Dr. Steward Curtis
  - b. 10:30 a.m. Dr. Aaron Gardner
  - c. 11:00 a.m. Dr. Joshua Stringam
  - d. 11:30 a.m. Dr. Pamela Denson
5. Executive Session – Personnel Matter [Idaho Code 74-206(1)(a)] (**Action**) .....Chairman Reed
6. Vote on Physician Board of Health Appointment (**Action**) .....Chairman Reed
7. Announcements ..... Geri Rackow
  - a. Staffing Updates
  - b. Septic System Enforcement Action Hearing – October 14, 2021 at 9:00 a.m.

## BOARD OF HEALTH MEETING MINUTES

August 20, 2021

9:00 a.m.

**PRESENT:**

**BOARD OF HEALTH MEMBERS**

Commissioner Bryon Reed, Chairman  
Commissioner Brent Mendenhall, Vice Chair/Trustee  
Bill Leake  
Commissioner Blair Dance  
Commissioner Greg Shenton  
Commissioner Leah Madsen  
Commissioner Shayne Young  
Commissioner Wayne Butts

**STAFF MEMBERS**

Geri Rackow  
Amy Gamett  
Angy Harwood  
Cheryl O'Connell  
James Corbett  
Kellye Johnson  
Steven Thomas

1. **Call Board Meeting to Order**

Chairman Reed called the meeting order at 9:04 a.m.

2. **Approval of the Consent Agenda**

**MOTION:** Commissioner Young made a motion to approve the August 20, 2021 Consent Agenda.

**SECOND:** Commissioner Dance

**ACTION:** MOTION CARRIED UNANIMOUSLY

3. **COVID-19 Situational Report**

a. Statewide Update

Dr. Christine Hahn, Idaho State Epidemiologist, reviewed Idaho's COVID-19 current trends and concerns. Cases and hospitalizations are rising. Additional information can be found at [coronavirus.idaho.gov](https://coronavirus.idaho.gov).

b. COVID-19 Data Review

James Corbett provided an overview of the EIPH COVID-19 Data Dashboard. The dashboard is located on the EIPH website at [eiph.idaho.gov](https://eiph.idaho.gov). The dashboard is update Monday through Friday. Mr. Corbett answered questions from the Board members.

c. Regional Hospital Report

Casey Jackman, Idaho Falls Community Hospital, reported on behalf of our regional hospitals.

**Madison Memorial**

- They are seeing 3-5 COVID-19 patients per day. They are also seeing an increasing demand for testing.
- Staffing is an issue; they have had to transfer patients to EIRMC and IFCH due to the lack of staff.

**Eastern Idaho Regional Medical Center**

- They currently have 17 COVID-19 patients, with 9 in the ICU. They are currently utilizing 70% of their ventilators.
- They have adequate supplies, but staffing is a concern.

**Idaho Falls Community Hospital**

- They currently have 15 patients, with 3 in the ICU. They are utilizing 42% of their ventilators.
- They have accepted patients from Northern and Southern Idaho as well as Washington state.
- They have no issues with supplies; but are at 90% capacity based on available staffing.
- 21% of patients presenting this past week in the Emergency Department were COVID-19 positive.

d. Vaccination Update

- Ms. Gamett reviewed vaccinations rates for the counties within our health district.
- She provided information on recommendations for the additional dose of vaccine for moderately and severely immunocompromised people. EIPH is currently providing this service.
- The Centers for Disease Control and Prevention (CDC) is currently reviewing the need for booster doses for the general population.
- EIPH has been holding their Back-to-School clinics, with COVID-19 vaccine being offered at most of them with the school's approval.
- Ms. Rackow thanked the staff for all their hard work. EIPH has given over 60,000 COVID-19 vaccines.

e. EIPH Ongoing Response

- Ms. Rackow provided information on the CDC recommendations and our past response plan. The plan was devised to slow the spread of the virus.
- Mr. Corbett reviewed CDC's COVID Data Tracker. This allows people to access information by state and county.
- Ms. Rackow feels that EIPH's continued focus should be on promoting and providing the vaccine, as well as continuing to educate the public on mitigation practices such as masking and distancing.
- EIPH will continue to provide information and answer questions regarding the COVID-19 vaccine.
- Children under 12 are not yet eligible for COVID vaccines so other mitigation measures are important to protect them. Each local school board has the authority to put protocols in place for its district.
- Discussion by the Board. No action was taken.

4. Director's Report

a. Recruitment of EIPH Board of Health Physician Representative

Dr. Barbara Nelson's term on the Board ended in June so we will now begin the process of refilling that board seat as outlined in EIPH's Board Bylaws. Ms. Rackow has drafted a letter that will be sent out to physicians notifying them of the opportunity. A press release will also be sent out. The board agreed to have a committee consisting of Chairman Reed, Vice Chairman Mendenhall, and Commissioner Dance review applicants and present a final list of candidates to the Board in September.

b. Update on HB316 Implementation

The Health District Directors recently met with representatives from Idaho Division of Human Resources, Division of Financial Management, State Controller's Office, Office of Group Insurance, and the Governor's office to begin working through the implementation of HB316. There are still many questions to answer related to operationalizing the changes made by the legislation. Ms. Rackow will continue to update the Board as the meetings are held.

c. Idaho Association of District Boards of Health – Annual Meeting/Resolutions

Moved to September meeting agenda

d. Bonneville County HVAC Replacement Project

The Bonneville county office's HVAC system is failing. The system is 15 years old and in need of replacement. A mechanical engineer has been hired to design a replacement system and once it is complete at the end of September, we will open bids for the installation of the system. Bids will be open for 30 days. With the current demand for this type of services and possible supply issues, it could be spring before the project is completed. Ms. Rackow will keep the board updated on this project.

**MOTION: Commissioner Mendenhall made a motion to authorize Ms. Rackow to accept the lowest bid for the HVAC replacement project and to pay for the project out of the district's Capital Reserve funds.**

**SECOND: Commissioner Butts**

**ACTION: MOTION CARRIED UNANIMOUSLY**

5. Environmental Health Enforcement Action

a. Illegal Septic System

Ms. Johnson updated the board members on legal proceedings related to an illegally installed septic system. She reported that we are trying to work with the property owners to find a way to resolve the issue before it goes to court.

- b. Environmental Health Appeals and Request for Hearing Policy  
Ms. Johnson reviewed the Board Policy on how hearings and appeals are handled in our health district. She answered questions of the board members.

**6. Fiscal Report**

- a. FY2022 Year-to-Date Financial Report  
This report was included in the consent agenda.
- b. Change in Investment Fund  
Moved to September meeting
- c. FY2019-2020 Audit Update  
Mr. Thomas provided a brief update of the current Legislative Audit. The audit is not yet complete, but we are not hearing of any significant issues being identified at this point. Once the final report is available, Mr. Thomas will report back to the Board.

**7. Region 7 Behavioral Health Board Meeting**

Following participation in the R7BHB meeting and a discussion with R7BHB's Chairman, Sam Hulse, Chairman Reed adjourned the BOH meeting at 12:40. The next meeting is scheduled for September 16, 2021 at 9:00 a.m.

---

Commissioner Bryon L. Reed, Chairman

---

Geri L. Rackow, Secretary

## Board Fiscal Notes

For the 2 Months Ended August 31, 2021

Board Meeting September 16, 2021

## General Notes

- 1 For the 2 months ended August 31, 2021, EIPH's total expenditures for the year were 3.37% below the approved budget.
  
- 2 For the 2 months ended August 31, 2021, EIPH's total revenues were 10.18% above approved budget.

RE: EIPH physician representative position

Dear EIPH Board Members:

I am in receipt of your letter dated 08/23/2021 inviting physicians to apply for the physician representative position at EIPH. I am well qualified for this position as I personally understand the needs of the individuals living within the counties served by EIPH. I was born in the Idaho Falls River View Hospital. I grew up on the west side of Idaho Falls. I have strong ties with the surrounding counties. As such, I am familiar with past, present and even potential future health issues, we as Idahoans face. As you can see in my attached CV/ resume, I am well rounded and have worn many hats in my life. Safety and prevention have always been important to me growing up.

As far as health experience and my medical career are concerned, I am uniquely experienced for this position. I have worked as a paramedic in urban settings. I completed a residency in preventive medicine with the specialty of occupational and environmental medicine at the Loma Linda University Medical Center in California. I earned my MPH in environmental and occupational health at Loma Linda University, in San Bernardino and Riverside Counties in California. My mentors included the public health officers for these counties. I participated with the Medical Reserve Corps there and trained extensively in various ICS (Incident Command Systems). I rotated with San Bernardino County Health Inspectors and epidemiologists. Prior to that I completed an internship and residency years in family medicine in Boise. Upon completion of my medical training, I started work at the INL. I was previously the medical director at the Naval Reactors Facility and I am currently the INL Site Occupational Medicine Director. I have assisted and written numerous policies and procedures (including pandemic illness plans) regarding medical responses to emergencies and urgencies. I have ample experience dealing with individual personal and population health issues. I have included, as an email attachment a work product of what I do day to day in the application I presented to the American College of Occupational and Environmental Medicine (ACOEM). I am proud to have received the Corporate Health Achievement Award from this college in 2017. In 2020 I achieved fellow status in ACOEM. I have solid skills in preventive medicine, epidemiology, primary care, addiction medicine, emergency medical services, environmental quality and industrial hazards. Of note, I was a physician representative for the Central Department of Energy Institutional Review Board in Washington, DC. Last year I assisted various entities regarding the COVID-19 response. Of course this is an on-going issue and there are a plurality of logistical challenges left in dealing with this plague. Even so, it is my professional opinion that we must not neglect other important health impacting issues facing our nation, state and local communities such as senescent diseases, mental health, obesity, substance abuse, EMS access, rural health care access, physician/ medical staff shortages and urban/ industrial developmental environmental impact matters. I look forward to your response.

Sincerely,

*Certified by the American Board of Preventive Medicine  
Occupational and Environmental Medicine Specialty*

# **Stewart R. Curtis, DO, MPH, FACOEM**

**Purpose:** Dr. Curtis is an experienced, award winning executive physician who endorses position-based opportunities, a purpose-driven culture and professional growth.

**Contact:** Mobile – (208) 522-4343  
[occmmedassociates@gmail.com](mailto:occmmedassociates@gmail.com)

**Mission:** *To serve communities, employers and employees as an “Excellence in POEMS” [Preventive, Occupational, Environmental Medicine & Sports] physician.*

## **Experience:**

- 2015- Present **Site Occupational Medicine Director, Idaho National Laboratory [INL]**
- United States Department of Energy, Battelle Energy Alliance [BEA], ID
  - INL Physical Protection Medical Director, Designated Physician
  - INL Human Reliability Program Medical Director, Designated Physician
  - INL Emergency Medical Services Medical Director
- 2012 - 2015 **Director – Occupational Medicine Program, Naval Reactors Facility**
- Bechtel Marine Propulsion Corporation, Idaho Falls, ID
- 2007 - Present **Chief Medical Officer, Eastern Idaho Occupational Medicine Associates, PA**
- Complete preventive, occupational, environmental & sports wellness services
  - Work injury/ illness evaluation and treatments
  - Industrial safety and prevention consultations
  - Urgent and primary care medicine services
  - Personal injury and pain management
  - Disability management consultations
  - OMM [Osteopathic manual medicine]
  - IME [independent medical examinations]
  - UR [utilization review] and second opinions
  - WCE [work capacity evaluations]
  - MRO [medical review officer] consultations
- 2006- 2012 **Occupational Medicine Physician, Idaho National Laboratory**
- United States Department of Energy, Battelle Energy Alliance [BEA], ID
- 2005 **Industrial Medicine Physician, US Healthworks**
- Occupational & Urgent Care Medical Centers, LAX and Ontario Clinics, CA
- 07/2004 **Locum tenens, Community Care Urgent Care & Injury Center**
- Minor emergency, family care and occupational medicine, Rigby, ID
- 01/2001 **Medical Mission Latin America**
- Guatemala and El Salvador (fluent in Spanish)
- 1992 **Emergency Paramedic**
- Arizona Medical Transport, Rural/Metro Corporation, Phoenix, AZ

## **Leadership:**

- 2016- 2020 **CDOEIRB [Central Department of Energy Institutional Review Board]**
- Appointed to the US Department of Energy's Human Subjects Committee as a physician representative to review and discuss the ethics and designs of DOE related studies
- 2007- Present **Medical director as noted above**
- Emphasis on patient driven care and LEAN process improvement principles
- 01/2012 **Cub-scoutmaster – Boy Scouts of America, Idaho Falls, ID**
- 01/2010 **Scoutmaster – Boy Scouts of America, Idaho Falls, ID**
- 08/2006- 2012 **Fire Department Physician – three fire stations in an 870 square mile area, INL, ID**
- Designated Director Emergency Medical Services [EMS] INL affiliated areas
- 2005/06 **Chief Resident – Occupational Medicine Residency, Loma Linda University Medical Center, CA**
- 2005/06 **Scoutmaster – Boy Scouts of America, Redlands, CA**
- 1998/99 **President – DOCARE UHS-COM Chapter, Kansas City, MO**
- Physician organization providing care to underserved international populations
- 1988- **District Leader- - The Church of Jesus Christ of Latter-day Saints**
- 1990 - **Proselyting Missionary, Cochabama and Santa Cruz, Bolivia, South America**
- 1987 **Trip Leader- White water river guide, Adrift Adventures, Canyonlands National Park, UT**

## Academic:

- 06/2015- Present **Adjunct Faculty, Occupational Medicine Residency, University of Utah, UT**  
- Attending physician responsibilities
- 02/2015-2017 **Adjunct Faculty, Pacific Northwest University of Health Sciences, Yakima, WA**  
- Precepting physician responsibilities
- 06/2008-03/2012 **Adjunct Faculty, Occupational Medicine Residency, University of Utah, UT**  
- Attending physician responsibilities
- 06/2006 **MPH- Masters in Public Health,**  
- **Environmental and Occupational Health, Loma Linda University, Loma Linda, CA**  
- Assisted in the creation the Lifestyle Medicine Residency Program
- 08/2004-08/2006 **Loma Linda University Medical Center Occupational Medicine Residency**  
- Concurrent clinical rotations at Loma Linda University Medical Center (LLUMC) Occupational Health Center, Veterans Administration Memorial Hospital Employee Health Unit, Patton State Hospital Employee Clinic, San Bernardino County Center for Employee Health and Wellness, Arrowhead Regional Medical Center, Rialto, CA
- 07/2001-05/2004 **Family Practice Residency of Idaho (FPRI)**  
- Internship and Residency in Family Medicine, Boise, ID
- 05/2001 **Doctor of Osteopathic Medicine (UHS-COM)**  
- University of Health Sciences College of Osteopathic Medicine, KC, MO
- 06/1996 **BA, Zoology**  
- Idaho State University (ISU), Pocatello, Idaho
- 12/1992 **AAS, Paramedicine**  
- Ricks College, Rexburg, ID

Subject: Application to Board of Health

Dear Selection Committee,

Please accept this letter as my application to the physician representative position on the EIPH Board of Health.

Admittedly, I do not know if my credentials and experience qualify me for a position on the Board of Health. Undoubtedly, there are many others who've seen more, said more, and done more of value than I have. We are fortunate, in this community, to have so many committed and caring healthcare providers. Despite this reality, I submit my application for your review simply because my heart is in it. When it comes to serving our community, protecting our health, preserving our liberties, and preparing our families for the inevitable challenges ahead, I am ALL IN.

My entire career, I have worked shoulder-to-shoulder with the champions of public health. I have participated in very small community projects, important statewide taskforces, and large-scale federal initiatives. I have watched public health professionals literally change the world. Over the past 18 months, we have watched many of these quiet, behind-the-scenes heroes thrust into a flurry of media, political, and social spotlights as they valiantly guided us through the challenges of the pandemic. I have admired their steadfastness despite the unknowns, changing circumstances, and political pressure. Particularly from our region's public health leaders, I have sensed an abiding commitment to do what is right and move forward. This approach, and genuine commitment to others' well-being, resonates deeply with me. I feel that I too can make a meaningful contribution to this cause.

Thank you for your service and your consideration. I would welcome the opportunity to serve our community in this capacity. Regardless of who ultimately fills this position, please know that the Board has my full support and I stand ready to assist in the great work you do.

Respectfully Submitted,

Aaron H. Gardner MD, MS, FAAP

1250 Hollipark Drive  
Idaho Falls, ID 83401

To Whom It May Concern,

Thank you for the opportunity to apply for this position. I am a board-certified family doctor. I practice in Idaho Falls and do full spectrum practice, OB, hospital and clinic work. My clinic is a Federally Qualified Health Center. I serve all the population of Idaho Falls, with an emphasis on the under-served.

Main abilities for success in this opportunity:

- 8 years of health care work.
- Actively serving the community.
- Compassionate with all individuals
- Leader in General Medical Education in Idaho Falls
- Actively teaching students, residents and faculty
- Great with people and large groups.

Please contact me with any questions.

Joshua Stringam DO  
CMO/Medical Director

Dr. William (Nick) Denson, MD

Dr. Pamela K. Denson, MD

EIPH Board of Health  
1250 Hollipark Drive  
Idaho Falls, Idaho 83401  
(208)552-0310  
eiphboard@eiph.idaho.gov

Dear Members of the Eastern Idaho Public Health Board,

My name is Pamela Denson and I am a board certified Ob/Gyn licensed in the state of Idaho and am currently working at Teton Women's Health Center in Idaho Falls. I have been taking care of patients in the community since 2014, and I have privileges to do deliveries and surgeries at all three local hospitals which include EIRMC, Mountain View Hospital, and Idaho Falls Community Hospital.

Since COVID 19 came onto the scene 18 months ago, the role of the public health board went from obscure to intensely important in shaping the local response to the pandemic. Watching the events of the pandemic unfold and seeing firsthand the effects on my patients and their families inspired me to apply for this critical position. If accepted into this position, I hope to be able to provide objective data-based advice during these challenging times. As a potential future physician board member, I would like to provide the board with the most current research and objective data and use this information to craft public health policy tailored specifically to our community.

More broadly, I feel that this opportunity allows me to share my passion for preventative medicine with a larger audience. As an OB/GYN, I have found fulfillment in spreading a positive message of healthy lifestyle to prevent illness in a one-on-one setting. However, as a physician board member, I could begin to cultivate a healthier culture throughout the community.

In closing, I would love the opportunity to meet with members of the board to discuss the value I can bring as a physician member.

I appreciate your time and consideration. I can be reached via phone (305) 968-4762 or email: [pamelakdenson@me.com](mailto:pamelakdenson@me.com).

Sincerely,

A handwritten signature in black ink that reads "P. Denson". The signature is written in a cursive, flowing style.

Pamela Kothari Denson, MD, FACOG  
Obstetrician/Gynecologist
