Changes Occurring at Eastern Idaho Public Health District New hours and staff at St. Anthony Office

EASTERN IDAHO – Eastern Idaho Public Health District (EIPHD) is pleased to announce some changes occurring at our St. Anthony location (45 South 2nd West). Tony Quirl, RN, has been promoted to a Senior Registered Nurse, and will now be responsible for nursing services in the St. Anthony office. She replaces Deon Staker, RN, who recently retired after 25 years of service to the health district. Toni has worked at EIPHD for many years at multiple locations throughout the health district, including St. Anthony. “Toni is excited and enthusiastic about her new responsibilities and the opportunity to serve the people of Fremont County,” commented Geri Rackow, Director of EIPHD.

The hours at the St. Anthony office will also be changing. The new hours, effective October 7, 2013, are:
