## NEWS RELEASE

FOR IMMEDIATE RELEASE  
January 25, 2018

Contact: Mimi Taylor, PIO  
Office: (208) 533-3155

### **Free HPV Vaccine Available February 5-9 for 11-26 Year Olds Vaccine Available at all Eastern Idaho Public Health (EIPH) Offices**

(SE Idaho) – Human Papillomavirus (HPV) is a group of viruses linked to multiple health conditions, including six different types of cancer. HPV is a very common virus; nearly 80 million people—about one in four—are currently infected in the United States. About 14 million people, including teens, become infected with HPV each year. Fortunately, there is a vaccine available to prevent HPV infection.

As cancer prevention advocates and as a part of the state-wide HPV Vaccination Week 2018, Eastern Idaho Public Health will be providing **FREE** HPV vaccine throughout the health district during the week of February 5 – 9, 2018. Information is listed below:

<b>Date:</b>	February 5 – 9, 2018
<b>Time:</b>	Varies by location
<b>Place:</b>	EIPH offices throughout our eight county region
<b>Who:</b>	Individuals 11-26 years old
<b>Appointments:</b>	Call your county office for an appointment. Walk-ins are welcome, based on availability of vaccine.
